Applicant has reviewed the Office Action mailed on December 19, 2001. Please amend the above-identified patent application as follows. No changes to the claims will be made in this response. Forty-three claims remain pending in this application. Reconsideration of this application and allowance of claims 62-105 is requested.

**Double Patenting Rejection**

Claims 62-105 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-29 of U.S. Patent No. 6,247,011. A Terminal Disclaimer in compliance with 37 CFR 1.321(c) is enclosed herewith to overcome this rejections.

**Conclusion**

Applicant respectfully submits that the claims are in condition for allowance and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicant's attorney (612)373-6902 to facilitate prosecution of this application.
